Livestock Events at the Merced County Fair

The exhibition of Livestock has long been a part of the Fair tradition and a real sense of pride in the community! These livestock events help to create the next generation of men and women in agriculture. By participating in these events 4-H, FFA and Independent students not only have the opportunity to showcase and sell their animal projects, they also learn responsibility and gain agribusiness experience. Livestock events will take place in the Dairy Ring, Glacier Ring, Les McCabe Arena presented by American Ag Credit and the Hilmar Cheese Barn.
